Dear Fifth Grade Parents,

All fifth grade students just completed the Winter MAPs. (Measure of Academic Progress). Students who scored at the 95th percentile or above in both Reading and Language Usage will move onto the second round of testing for eligibility into Sixth grade Advanced Reading and Language Arts. Letters to invite students to participate in the second round of testing will be sent home today. If you do not receive a letter regarding the second round testing, you may appeal the process. If you are interested in an appeal, please visit the link below. All appeals forms are due by April 2, 2013.
