#### Third Grade Music Shows

Ivy Hill paid tribute to Broadway this week with our Third Grade Music Shows. Congratulations to Mrs. Opitz and our third grade students and teachers on a wonderful production! We will soon post photos on our Ivy web page. Thanks to all our parents for joining us on our two performance days, despite the inclement weather! We also appreciate all the parents who assisted with the taping, stage setting, costumes, etc.

#### Earth Week

Next week marks Earth Week. We are sending home a calendar with school events like: Wear Blue/or Green on Monday 4/22, Walk to School Wednesday, and Waste Free Lunch on Friday. The calendar also includes some suggested Earth Friendly tips and activities for families to celebrate.

#### Online Registration

As hard as it is to believe, we will soon be sending out online registration information for the 2013-2014 school year. The process will be similar to last year, but we hope it will be even more user-friendly. This year, District 25 and our PTA Council worked to include more options to help families sign up and take care of all the different items and fees that come with each new school year...all online!

#### Kindergarten Orientation

We are looking forward to seeing our incoming kindergarten students/parents this Wednesday 4/24 at 6:30 PM. Everyone should have also received a confirmation letter for our Kindergarten Screening Day on Tuesday, April 30th.

*Our mission is to create a community that provides learning opportunities, which meet the diverse styles and needs of all students, in order to achieve academic and social success while promoting life-long learning.*
