

The Arlington Heights Council of PTAs ABC/25 Foundation and thank all of you who moved it for education at the **Just Move it! Challenge** last weekend! Registered participants for the 5K and 1 Mile run/walk totaled 1020 including 500 students and 107 teachers/staff. It was a great morning filled with community, fitness, and fun as students, teachers, parents, and administrators from all SD25 schools, showed school spirit and support for one another as they ran or walked across the finish line. Congratulations to Olive-Mary Stitt Elementary School and South Middle School for winning the School participation trophies!
